

THE MYSTERY OF OAK ISLAND

<http://www.oakisland.de/>

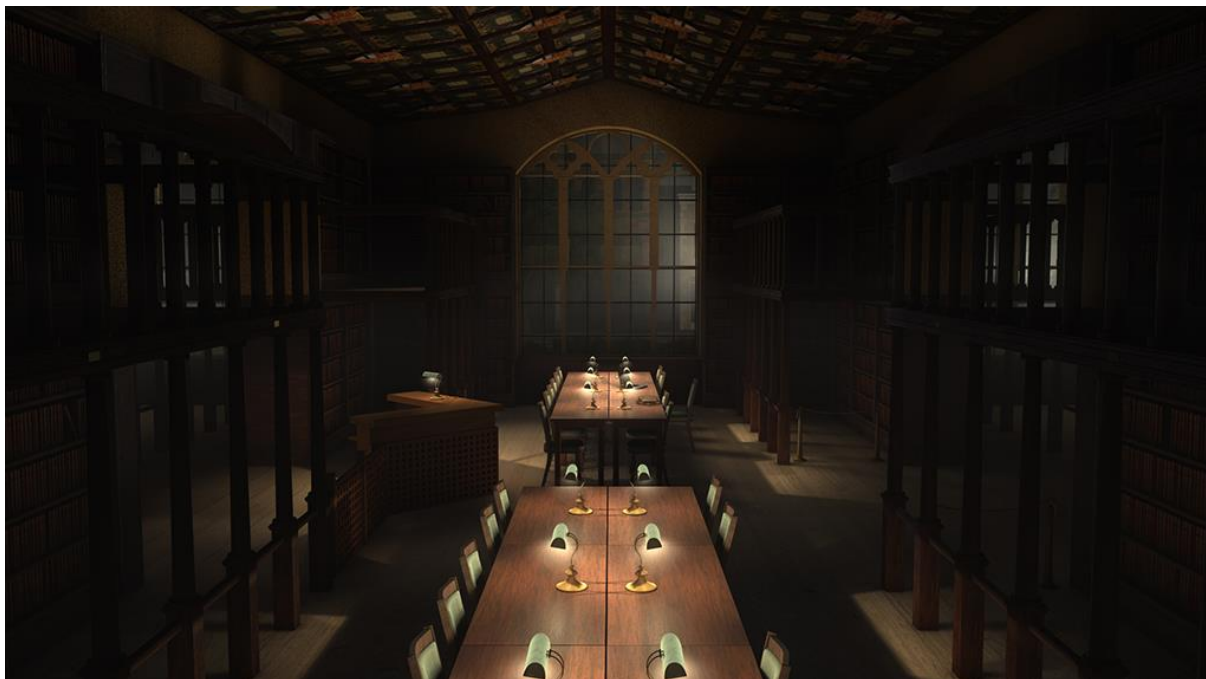

Auf dem Weg zu einer Konferenz in Halifax, gibt James Watsons sein Navi den Geist auf u. er kommt vom Weg ab.

Auf abschüssigem Gelände erleidet er unweit der Insel Oak Island in einen Unfall!

Im Gespräch mit den Dorfbewohnern erfährt er vom Mythos Oak Island, einem angeblichen Schatz u. seltsamen Erschütterungen!

Und erst kürzlich hat die "Truro Company" auf der Insel eine neue Ausgrabung begonnen.

The Mystery of Oak Island

ist ein 2d Adventurespiel, entwickelt von citrodesign entertainment aus Siegen in Zusammenarbeit mit "Visionaire Studio" und gefördert durch die Film- und Medienstiftung NRW.

News: 05. Juni 2015

THE FINAL HOURS HAVE ARRIVED!!

Oh guys,... this wild ride on kickstarter is so exciting and our team is totally out of words and extremely moved by your great support in these last days. More than 800 adventure gamers and even awarded developers support our game so far. That's totally great... or let's say: "EXTRAORDINARILY UBER-AWESOME!!". :)

ONLY VERY FEW HOURS REMAIN, but then the next journey will begin - the journey to, through and far beyond OAK ISLAND. We're pretty excited and already about to pack our things. But what about YOU? Have you already packed... and even backed for the game?! :)

Join the club of more than 800 passionate adventure game fans and together we bring Oak Island to the next level!

Now let's blast this mystical treasure chest wide open! Please continue and intensify spreading the word in the last hours! Every single Dollar, every Euro counts! Every penny will be invested in the development to make this game outstanding! THANK YOU SO MUCH!! :)
